1978	290,000	181,042	62%	122,252	68%	42.2%					

* 2004 General Election Clarification: There were 232,396 registered voters in Wyoming prior to the General Election and 245,789 voted. This was possible because Wyoming state statute allows voters to register and vote at the polls on Election Day.

** Voting Age Population figures are estimates based on U.S. Census Bureau data obtained through the Wyoming Economic Analysis Division of the Department of Administration & Information.
